

DID YOU KNOW?

OEL members saved a combined \$1 million dollars over the last two years.

The OEL has an exclusive partnership with General Motors of Canada to give our members the widest range in choice in fleet solutions.

Get onboard today and receive savings through buying, leasing or financing.

INTRODUCING A NEW FLEET DISCOUNT

Nissan Canada

As you may know, Jim Peplinski Leasing is an OEL member and our vehicle leasing partner, offering **preferred national rates on 12- to 60-month open-ended lease agreements, no kilometre restrictions, no wear and tear penalties** and the **best possible acquisition price**.

With the assistance of Jim Peplinski Leasing, OEL members now have access to **special pricing from Nissan Canada**.

Get familiar with the Jim Peplinski Leasing Discount Program:

- **Entire member fleet discount passed onto OEL member**
- **New and used vehicles of all makes and models, providing you with an unbiased approach and options to suit your needs**
- **One leasing provider with flexible open-ended leases**
- **Residual-based or fully amortized leases, reducing your risk**
- **No wear and tear overages or excess kilometre charges, and a manufacturer liaison to maximize rebates and concession negotiation**
- **Vehicle remarketing through nationwide auction**
- **A team of fleet leasing experts providing a reliable and highly responsive customer service approach**
- **Dedicated OEL Lease Managers**

Jim Peplinski Leasing will advise you on every step of the process, from vehicle acquisition and lease structure to upfitting.

They offer an unbiased approach for new and used vehicles of all makes and models. Backed by a team of experts with exceptional customer service, Jim Peplinski Leasing will provide specialized work vehicles for the electrical industry.

Reach out to Jim Peplinski Leasing to speak at your local chapter meeting, to stay-up-to date on all the benefits exclusive to OEL Members.
